

COMP314 Final Exam Spring 2026

Exam is in two parts with one bathroom break between parts: The exam consists of two parts: part A and part B. You must turn in your final answers for part A before receiving the questions for part B. You may choose to exit the exam room after turning in part A and before receiving part B. No other exits are permitted (except for permanent departure after turning in the final answers to part B). Notify the instructor if you need alternative arrangements for medical reasons.

Time allowed: 180 minutes

Point Breakdown:

- Total points in part A: 60
- Total points in part B: 60
- **Total points on entire exam: 120**

Allow about one minute per point, and you will have plenty of time to check your answers. You are strongly advised to begin part B within 90 minutes.

Write solutions on blank paper, not on this exam. No devices are permitted. No materials may be consulted, except for one page (one side of US letter paper) of your own handwritten notes.
